I, *(please print)* \_\_\_\_\_, understand that the massage therapist does not diagnose illness, disease or any other physical or mental disorder. The massage therapist does not prescribe medical treatment or pharmaceuticals nor perform any spinal manipulations. It has been made very clear that massage therapy is not a substitute for medical examination or diagnosis and that it is recommended that I see a physician for any physical ailment I might have. With this in mind, I agree that the massage therapist cannot be held liable for any problems that might arise as a result of my massage sessions. If I am unable to make an already scheduled appointment, I will notify the massage therapist 24 hours in advance. I agree to pay the full amount of any sessions I miss without notifying the massage therapist. I have stated all my known medical conditions and take it upon myself to keep the massage therapist updated on my physical health.
